Hello,

I oppose the proposed changes to the Preston Market Precinct.

They are too broad and threaten the community of Preston.

This is an area multi culturalism and these changes threaten to further marginalise already marginalised communities.

The Preston market as it stands is a crucial community hub with a thriving culture.

It is a key place where lower income people can access healthy and diverse foods at

reasonable costs.

The proposed changes should not go ahead.

I confirm that I have read and agree to the above conditions for making a submission.
