Write your submission

I have some concerns over the draft proposal for Preston Market site. We have a wonderful opportunity to think forward and plan for a carbon neutral future. We need bold actions to halt the global warming crisis. Now is the time to be investing with a longer term lens. The draft does not address this strongly enough. It also seems like the character of this open air market will be compromised. This would be such a shame as the market is a defining part of the North.

Jen

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
