Preston Market Structure Plan

No "affordable housing" should be built in Preston Market Precinct, because in long term it won't solve housing affordability issues. I am not a house or property owner, so I am not saying "no" to affordable housing because I am rich and have a property myself.

Restricting Preston Market parking and open space and cafes where people eat, will make the market less accessible, hence less attractive and will ruin the market businesses. We might build few affordable apartments but if this ruins few businesses and incomes, the plan will not have much benefit for the wider community.

I confirm that I have read and agree to the above conditions for making a submission.
