Our roads and infrastructure cannot cope with the number of apartments and increased population. Schools, roads and public transport will be further stretched.

The number of high rise buildings is not in line with the current environment and will create an eyesore. No to such a number of high rise buildings and also to the number of storeys.

Please consider the cultural importance of the market as a central community hub. Add spaces for local performance, music, a place where the elderly can meet, people can share a meal during the day and night....a safe, well lit place for all. Please do not reduce the market footprint or take away the deli, fresh fish & meats area. We are a very multicultural community that relies on variety and access to fresh, reasonably priced goods. Our community is family friendly and has a growing interest in whole and organic foods. The market is the nucleus to our community.....we do not want a Docklands style horrible, soulless space.

Please protect and embrace the needs of our beautiful multicultural and family orientated community.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
