I am a resident of Darebin Council and value the market for provision of fresh and nutritious food, for strengthening social connections within and across communities, and for allowing families to access a welcoming, inclusive open space full of fresh air and natural conditions. I support Council's vision to allow these values to be preserved while also allowing for renewal of the site. I believe the Preston Market can support community resilience especially in the face of threats such as the COVID pandemic, climate change and social isolation.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
