We moved from Hawthorn East to Preston just under 2 years ago due to the over development of that area - any empty space in Hawthorn instantly becomes high rise apartment blocks - they are soulless and make the suburbs overcrowded and busy. We moved in to our house within knowing just how special the Preston market is, it's an incredible area with amazing diversity - we're now there at least twice a weekend and it's always a highlight to take visitors to interstate there to have a look. The proposed plans take a special and unique feature of the northern suburbs and turn it in to another busy, crowded and bland apartment area which will no doubt destroy not only the site itself but the surrounding area.

**I confirm that I have read and agree to the above conditions for making a submission.**

**I agree to the Collection Notice**
