Hi,

I am writing to protest the proposed development of the Preston Market precinct on the basis of the following:

1) Even without the market development we are experiencing significant level of traffic congestion especially during market days. The proposed new 20-storey tower will only result to an increased in traffic on residential streets and more importantly the risk involved to the pedestrians.

2) Preston Market has been the heart of Preston for more than 50 years and demolishing and rebuilding the market in another location on the site would just mean that we will be at risk of

losing the cultural significance that the market brings.

3)The proposed development is just an overdevelopment of the site that is not in accordance with actual housing need.

Regards,

I confirm that I have read and agree to the above conditions for making a submission.
