I do not accept development of this scale in the Preston Market precinct. The market cannot be removed since it is a community gathering/socialising place and part of Preston. The proposed buildings will cast tremendous shade over all area all day long and vegetation cannot survive under these conditions. Dedicated open space area is far too small for both people and city species. Design and building should ensure sustainable approach only, that means consciously sourced materials, minimal carbon neutral footprint etc. buildings should be maximum 6-8 storeys and only half of the proposed buildings should be allowed to be erected.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

**I agree to the Collection Notice**

Yes
