I'm joining the local community and Darebin City Council in calling for a redevelopment of Preston market that:

Protects the market as an affordable, open-air fresh food market and vibrant, multicultural community hub.

Creates livable, medium-scale housing for the site and includes affordable housing for low income families.

Is a nation-leading, carbon-neutral development - all-electric with fossil fuel free energy, solar panels, battery storage and a microgrid.

Ensures waste reduction and reuse policies are in place and green bins provided for customer and commercial food composting and urban agriculture for the market.

Provides 18% green space in line with the green space needs identified by Council for the

area.

Thank you,

I confirm that I have read and agree to the above conditions for making a submission.
