Dear Sir/Madam,

We, John Kwon, Jenny Wang and Zhonglin Zhen, are the co-owners of [REDACTED]. The property was purchased solely by our super funds. In response to the newly released Shepparton South East Precinct Structure Plan, all of us have the following request:

Please include our land in the stage 1 or stage 2 developments as all of us have been officially retired and fully relied on our own to fund our retirement. As we have now not received any age pension from government. Especially in the next 2-3 years we badly need cash injection into our super fund for our withdrawal of daily expenses.

Please consider our request favourably and we look forward to hearing from you.

Your sincerely

John Kwon

Jenny Wang

Zhonglin Zhen
