

Requested Edits/Comments for Melton East PSP

General Comments

- Please update 'Traditional Owners' to 'Traditional Custodians' throughout the document
- Please correct "Woi Wurrung" to "Woi-wurrung" throughout the document
 - Please ensure that when referencing the Wurundjeri, it is "Wurundjeri Woi-wurrung" throughout the document.
- Page 1 (Acknowledgement of Country)
 - There are two sections under "we embrace" and "we acknowledge" that are seemingly repeated? Please correct.
- 1.5.1 Cultural context
 - First paragraph – should the "Registered Aboriginal Party (RAP)" include "under the *Aboriginal Heritage Act 2006*/relevant legislation?" for clarity?
 - Please note the wording under 1.5.1 ("We proudly acknowledge...") is preferred over those on page 1. Please consider updating page 1 to reflect this section.
- 3.1.2 Requirements and guidelines – viable densities
 - R. 4 – will there be exemptions to this requirement? What if cultural heritage is identified at the back of these lots, and a Proponent cannot fully consider S61 considerations due to this requirement?
- Table 15 – Strengthened community....
 - Please correct WWWCHAC to WWCHAC
- Plan 7 – can the conservation area be included on the legend?
 - The *note at the bottom of the legend – should this read "further investigation of potential stony rises at these locations [required]"?
- Plan 10 – thank you for including the Cultural Values map in the body of text. Please include the ACHIA map in the body of text (rather than an appendix).

Requested Edits/Comments for Amendment C244 Melton Planning Scheme

Maps

- Melton C244melt 006esoMap09 Public Consultation – why does the environmental significance overlay not go all the way to the banks of the Kororoit Creek? Can this be updated to ensure the environmental significance includes the banks and waterways of the Kororoit Creek?

Planning Scheme Ordinance

- 9. Zones, Clause 37.07
 - Conditions – Heritage Sites
 - Aboriginal Places and Areas of Cultural Heritage Sensitivity are listed under Heritage Overlay. Please update the Condition to include both Historic and Aboriginal cultural heritage requirements.

- If this condition relates to sites on the Heritage Overlay specific to Melton City Council, please update the condition for clarity.
- 11. Overlays, Clause 43.03
 - What is “scattered tree” in the table on page 3 (of 4)?
 - Please include a specific Condition regarding Aboriginal Cultural Heritage and areas of Cultural Heritage Sensitivity. The Wurundjeri Cultural Heritage Unit is able to assist in the development of this condition.
- 14. Particular Provisions in Clause 52.17
 - Why is a permit NOT required for removal (remove, destroy or lop) of native vegetation in a conservation area? The Cultural Heritage Unit Elders request this is removed (and requires a permit).
- 15. General Provisions in Clause 66.04
 - Please include “relevant Registered Aboriginal Party” to the proposed amendment to subdivide land containing the conversation area alongside DEECA.
