Hi Team,

I believe my property 275 Clyde Fiveways Clyde 3978 is within the area being impacted by this project and hoping you can assist with a few concerns that I have.

- Does this mean the zoning of this area will change to industrial?
- At the moment my property has a residence that is tenanted, if the zone of the area becomes industrial, does that mean I cannot use the residence already on my property or how will I be impacted by the zone change?
- What is the estimated/high-level timeline for the process to complete and the changes to come into effect?

Regards
