Q4. Please enter your submission	<p>Hi</p> <p>Just enquiring about what is likely to be behind our property once PSP is completed? I'm hoping it will be a reserve/drain as when we have large storms the land run off naturally is to the back. If developers put houses directly behind properties on Facey Rd we will likely get complains from new residents.</p> <p>I sent the above to Melbourne Water and Andrew Grant Principal Engineer at Melbourne water advised to send in this question to VPA.</p> <p>Kind Regards [REDACTED]</p>
