Q1. What is your full name?	[REDACTED]
Q2. What is your email address?	[REDACTED]
Q3. What is your postal address?	[REDACTED]
Q4. Please enter your submission	<p>"A plan for 3,600 homes and over 11,000 extra residents into an area that is already so poorly serviced by public transport isn't a real plan.</p> <p>A case can and should already be being made to extend the Cranbourne line to meet the existing demand and that's not even happening before you propose on adding to the problem.</p> <p>Before, or at the very least in conjunction with, proposing to expand residential development in the area public transport infrastructure needs to be improved. Dramatically. This doesn't mean adding more bus services to slowly shuffle more and more people to Cranbourne station it absolutely necessitates extending the train line! Not just an additional stop to Clyde either. There's already enough demand to reinstate the line to at Koo Wee Rup and as the area infills in-between adding more stations; something the developers could contribute towards the cost of."</p>
