This being the case we have spent a lot of time, money and sweat building a successful business here, supplying Woolworths and independent supermarkets, fruit shops, and cafes Victoria wide. We do not appose development, we welcome developement, however we do request that you plan for our property specifically to be of higher and much more attractive yield for developers so that we can achieve a much higher sale price in order to make it economically viable for us to move our enterprise elsewhere as we will not be closing the business and have now recruited third generation family to take over the business. much appreciate your consideration.</p> <p>kind regards</p> <p>[REDACTED]</p>
