With an explosion of housing comes with needs and that is already a lacking need that will continue to grow.</p> <p>In addition to public spaces there needs to good quality playgrounds that tailor for all ages not one or the other so family's can enjoy.</p> <p>There is already a huge need for a community service centre where community members can go to engage in services once again already an overwhelming need so additional housing will require it especially with the lack of public transport.</p>	2025-05-13 15:37:43
