

Project:

Bannockburn South East Draft Precinct Structure Plan

Submission ID	Q1. What is your full name?	Q2. What is your email address?	Q3. What is your postal address?	Q4. You can enter your submission	Date
1330917				<p>We object to the current plan.</p> <p>There is no public transport, the roads in and out of bannockburn are already congested.</p> <p>Burnside roads leads to a dangerous section of the highway, the highway is on front of my driveway.</p> <p>I already experience incredibly difficultly to access highway and turn out of driveway safely- what are the plans to ensure safety and manage traffic flow at the Burnside Rd-Hamilton highway exit?</p> <p>No public transport into a city that 20min away.</p> <p>If there is no public transport, this will plan will add significantly more cars and add to already congested entry and exits points to township and further damage unrepaired roads.</p> <p>Unfinished shopping centre, with major roads around the centre of bannockburn requiring works -roads near the shopping centre are currently fenced off, the ones that are open, are full of potholes with very narrow lanes.</p> <p>Many roads in district require repair currently, how will they cope with extra vehicles.</p> <p>Limited childcare options.</p> <p>Limited amenities for families currently, requiring regular travel to Geelong for swimming lessons, health appointments, sport or school - again will add to already congested roads.</p>	2025-06-14 09:28:41
