[REDACTED]	[REDACTED] [REDACTED]	I am an impacted landowner. The letter we received is vague and near meaningless. The map has no street names. We live here and spent 5 minutes trying to figure out the map, and we are still not 100% sure of the precinct's location. It is extremely frustrating and makes us wonder what else you are hiding. Such a misleading letter fosters mistrust. Why have you not provided a map with the streets labelled? Where can we access a map with the streets labled?		2025-11-15
