[REDACTED]	[REDACTED]	<p>My wife and I live on Avalon Rd. First I would like to say we have no problem with the proposed development on our side of the airport. But we do have a problem with the use of our road for the main thoroughfare and the traffic lights . I cannot see why they have to use our road for their own purposes other than using their money to build a road straight of Geelong road . The owners own the land opposite the highway. So they should develop the road into their land. As I would have to if I were to develop a 20 acres I would have to pay for all services on the land not the government body. So to sum it up I and my wife object to any us of Avalon Rd for the project. [REDACTED]</p> <p>[REDACTED]</p>	N/A	01/12/2025
