[REDACTED] [REDACTED]	[REDACTED]	I would like to object to the Greater Avalon Employment precinct . My wife and my self have lived in the same hose for the last 45 years. And we like living here. We do not have a problem with the project. But we do have a problem with the use of Avalon as rod for the main road access for the project. Also the proposal to have 4 sets of traffic lights on Avalon drive. I donor see why the developers do not use their land for the service radon their land. On their sewing it does show a road running beside the highway to Avalon Airport. I also have concerns about air pollution from trucks running 24hr day everyday light pollution dust and noose pollution. The developers have left out the green belt on the boundary of Avalon Rd	N/A	2025-12-07
