

To the Vpa

Hi I would like to object to the Greater Avalon Employment Precinct West.C477ggee

My wife and I have lived at this address for the last 35 years and are very happy living here.

I do not have a email address so I would like a receipt that you have received it.

We do not have any concerns about the future development ,but we do have concerns about the use of Avalon RD to be used as a major thoroughfare to sevice 4 sets of traffic lights on Avalon RD. I cannot see why the developer does not have to use their land for the road to service their project. On one of the drw it shows a road running along side geelong rd to beach rd at the airport.

I also have concerns about the air pollution from trucks running 24hr day up and down our road ,the amount of light pollution ,dust from the project and noise pollution from the 24hr traffic.

Also I would like to say how discussed we were with the running of the meeting on Friday 28<sup>th</sup> November. The organizers could not even get a key to open the hall. They didn't seem to care about the elderly people standing in the car park for over an half hour.

They were very condescending towards the crowd and were not very interested in what we had to say.
